

**MOTION BY SUPERVISOR HILDA L. SOLIS
AND MAYOR MICHAEL D. ANTONOVICH**

November 3, 2015

Every year, since 1990 the United States of America reflects on the contributions of the Native American People and how they shaped our country's character and culture. During November we celebrate National Native American Heritage Month and honor their legacy, as well as recommit to strengthening our partnerships.

On our County Seal we acknowledge the contributions of these first inhabitants of the Los Angeles Basin (Los Angeles County) represented by a Native American woman.

According to President Obama, this month is meant to recognize the “potential of our tribal nation as we continue our work to build a world where all people are valued and no child has to wonder if he or she has a place in our society.”

WE, THEREFORE MOVE that the Board proclaim the month of November 2015 as Native American Heritage Month in Los Angeles County.
